

Faithful Wounds

BETHEL MUSIC

Written by Cory Asbury

Key: Ab | BPM: 68 | Time: 4/4

VERSE 1

God I'm wrestling with the waiting again
My impatience a disease in this cage for mice and men
They say, boy, you better keep running
But this pace I can't sustain
My head knows to trust You
But the heart of me is slain

CHORUS 1

Faithful are the wounds of a friend
Faithful, Lord, the dealings of Your hand
The troubles and the trials
Like the gold refined in fire
Faithful are the wounds of a friend

VERSE 2

God these questions they just won't leave me alone
Will this crushing ever end or is this ache now my home
Am I a prisoner of hope or just the warden of my pain
My head knows to trust You
but the heart of me is slain

CHORUS 1

CHORUS 2

Faithful are the wounds of a friend
Faithful like the tides pulled by Your hand
I've learned to kiss the waves
That push my soul into the caves
Faithful are the wounds of a friend
