VERSE 1

1 5 4
Next to nothing in our pockets
1 1/3 4
We didn't need much cash to get by
1 5 4
Felt like more than just surviving
1 1/3 4
We learned love needs little to thrive

VERSE 2

1 5 4
Thrift store art in our apartment
1 1/3 4
Dressed in mostly hand-me-downs
1 5 4
But love don't always look like diamonds
1 1/3 4
And you look mighty fine in a floral crown

CHORUS 1

4 1 5
Loving was easy, living poor
4 1
5
Making memories that money just can't afford
4 5
To some it may seem foolish
6m 1/3
But to us it's common sense
4 5 1
Maybe living poor makes loving rich

INTRO

VERSE 3

1 5 4
We couldn't buy those big vacations
1 1/3 4
But wealth can't buy the love we make
1 5 4
And if paradise is in your presence
6m 5 4
Then I don't care which road that we take

CHORUS

BRIDGE

4 1/3
You make me feel like a ki - ng
6m 4 1/3
You make it feel like a dr - eam
6m 4
I don't need glamorous or fancy
5 6m 2
I don't need fame or fortune honey
4 5
I just need you, you just need me

CHORUS 2

4 1 5
Loving is easy, living poor
4 1 5
Making memories that money just can't afford
4 5
To some it may seem foolish
6m 1/3
But to us it's common sense
4 5 6m
Maybe living poor makes loving rich
4 5 1 5 4
Baby, living poor makes loving rich
1 1/3 4
Loving rich
